Welcome to OTOÑO!

Welcome to OTOÑO!

A 10-week Morning Time Plan to support your family's Spanish language journey.

It is our sincere hope that this Morning Time Plan will help you and your family grow in your proficiency of and love for the Spanish language. We created these plans out of our own quest to find resources to help us raise bilingual children. This plan outlines fun and creative ways to expose children to beautiful, useful fall-themed language while intentionally working to build their vocabulary.

In OTOÑO you will find:

100 high-frequency **VOCABULARY** words with printable flashcards.

7 carefully selected **MEMORIZATION** pieces.

List of living **BOOKS** written in original Spanish (non-translated) as well as translated favorites.

Upbeat, poetic **MUSIC** the whole family will enjoy.

Weekly **NATURE OUTINGS** and vocab building **ACTIVITIES**.

Do I need to speak Spanish to use this plan?

OTOÑO was created with moderate to fluent Spanish speakers in mind. The more Spanish spoken throughout these activities, the better! Also, the book selections have been made with the assumption that you are a confident reader of Spanish.

However, this plan can be adapted for families learning Spanish together. You may use the vocabulary, memorization, and music portions to greatly increase your vocabulary. Each nature outing and activity can be used to reinforce basic vocabulary such as colors and numbers.

How To Use This Plan

10-Week Plan vs. Loop Schedule

For those who thrive on structure, the 10-Week block schedule may be used as written. For others, we've included a Loop Schedule which allows you to capitalize on the richness of the full plan while working through the content at your own pace. If you already have a Morning Time routine, but are looking to add Spanish to it, you may prefer to choose one or two of our categories to add to your Morning Time. In short, this plan is flexible!

A Word on Daily Subjects

Memorization is a beautiful tool that allows children to speak correctly and more eloquently than they can on their own. Vocabulary words are intentionally chosen for their high-frequency usage during the fall season. Both memorization and vocabulary building require regular repetition, and for this reason these two subjects are planned to take place each day. For tips and tricks on how to make repetition fun, including how to use our flashcards as Montessori Three-Part Cards visit our blog at www.bilingualtogether.com.

Suggested Resources

This plan was created to be self-contained. The Memorization selections are included. Vocabulary flashcards are included for printing. The Booklist can be used to look up titles at your local library. If your library does not have many Spanish titles, ask your librarian about interlibrary loan. The Nature Outings and Activities can all be done with common household items. The album, Arriba Abajo by 123 Andrés, can be purchased or streamed online.

Online Resource Page

We created an online Resource Page for our OTOÑO Morning Time Plan with purchase links to the album Arriba Abajo as well as all the books on our Booklist. You will also find links to blog posts for tips on making memorization fun, and how to use our flashcards as Montessori Three-Part Cards. (Access to this page is available with purchase of the 10-Week Plan.)

Manualidades					One Veggie Three Ways

La Féria: Visit a local Farmer’s Market this week. See what vocabulary veggies you can spot! If you don’t have a farmer’s market, the produce aisle of your grocery store will work as well. While you are looking at veggies, buy one that you are unfamiliar with and take it home for our activity this week.

One Veggie Three Ways: Take your new veggie and portion it three ways. Take your first portion and steam your veggie, then add olive oil and salt. Take the second portion and mix with olive oil and salt, and roast in an oven until tender. For the last portion, sauté your veggie on the stove with olive oil and salt. Now for the taste test! Which do you prefer?

Thank You for trying our OTOÑO Morning Time Plan!
